> HOW TO UPGRADE TO WINDOWS® 7

DEAR CUSTOMER

Thank you for purchasing a Toshiba notebook computer!

Please note that your Windows Vista® pre-installed computer is capable to run the new Microsoft® Windows® 7 operating system. Toshiba offers you to upgrade your computer to Windows® 7.

The information in this document explains you how to make use of the Windows® 7 upgrade offer.*

* The Upgrade Option program by Microsoft is designed for consumers and small businesses. Therefore, this program is limited to a maximum of 25 upgrade licenses per customer.

> OFFER TERMS AND CONDITIONS

1. Follow the ordering instructions on the upgrade website. Toshiba, Microsoft and Arvato are not responsible for incomplete, illegible, late, lost, mutilated, misdirected or postage-due requests, fraudulent submission of multiple requests, or providing false information in a request. Such requests will disqualify your submission. Microsoft and Arvato may deny and/or discard any submission deemed to be false or fraudulent.

2. Offer void where prohibited or restricted by law. Limit one upgrade redemption per qualifying new PC. Offer may not be combined with other Microsoft offers or rebates.

3. Your upgrade software will be in the same language as the preloaded version of Windows Vista® that you licensed on the qualifying new PC. You may only install the upgrade software on that PC.

4. The upgrade software will ship within 6–8 weeks from the later of the date your completed redemption is received or Windows® 7 has been launched. This offer is subject to product availability and product supplies.

Microsoft reserves the right to determine availability of upgrade software, to exclude certain language versions, and to end this offer at any time. If the upgrade you have ordered is not available, you will receive a refund for the amount paid for the upgrade. This will be your sole remedy.
